EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kyle Schlueter on March 17, 2005.

The application has been amended as follows:

in claim 20 in line 2, - - no more than - -, has been inserted after "has".

claims 10-17 and 23-29 have been cancel, since they are directed to non-elected claims which were elected without traverse.

The following is an examiner's statement of reasons for allowance:

none of the prior art of record discloses or suggests an apparatus comprising in part the combination of the following:

an elongate ultrasound radiating member having a hollow, cylindrical central core and three or more substantially flat sides;

a first cylindrical electrode applied to the hollow, cylindrical central core;

a second electrode applied to at least one of the sides; and

a tubular catheter body configured to surround the elongate ultrasound radiating member.

The most relevant prior art is Brisken et al. (6,296,619) who disclose a therapeutic ultrasonic catheter wherein the radiating member is a cube (Figure 25 for example with four flat sides) but lacks the disclosure of a hollow, cylindrical central core therein and a first cylindrical electrode applied to the hollow, cylindrical central core.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roy D. Gibson whose telephone number is 571-272-4767. The examiner can normally be reached on M-F, 7:30 am-4:00 pm.
